## Message from Mrs. Brewer

*I am so proud of all of you who are taking the challenge to get involved. Congratulations to the Girls Volleyball team for their tournament win. Also, congratulations to Volleyball B team and Football A & B team for their hard work and dedication to excellence. Finally hats-off to the students who continue to work diligently in the Fine Arts, including Band, Orchestra, theater and Art club. Thank you, for getting involved.*

**You are Amazing!**

## Message from Mr. Daniels

### Are you a bystander or an upstander?

At some time, every kid becomes a bystander—someone who witnesses bullying but doesn't get involved.

You can be an upstander instead—the person who knows what's happening is wrong and does something to make things right. It takes courage to speak up on someone's behalf. But just think: by doing so, you are becoming a person of character and also helping someone else.
