

How to Select a Kelsey-Seybold Primary Care Physician Affiliated with the UnitedHealthcare Charter Plan

(updated April 14, 2017)

It's easy!

Step 1: At enrollment, choose a primary care physician from any of the doctors listed in this guide and locate his or her 14-digit physician ID number.

Step 2: Enter the physician's 14-digit ID number on your employee enrollment form, including the preceding zeros.

IMPORTANT REMINDER: Although you're required to designate a primary care physician at the time of enrollment, you can see *any* Kelsey-Seybold doctor at *any* location – not just the one you've selected during enrollment.
