

# F20

Filmmaker's

# A21

Academy

This year the event will be held virtually with students using Teams, Schoology, and video editing programs such as WeVideo.

We will have a Filmmaker's Kit for the first 300 registered attendees (pickup at Administration Building) ready the week of Jan 25-29th.

There will be workshops to learn the basics of video and photography for beginners. Also there will be more in-depth workshops available with topics such as green screen and stop-motion effects.

## AUDIENCE:

Who: 3rd-12th graders of all filmmaking abilities who want to be filmmakers and/or compete in the FBISD Film Fest.

## HOW TO REGISTER:

January 7th-January 21st  
The first 300 students to enroll will receive a Filmmaker's Kit. If registration fills (more than 300), a wait list will be created and if spots opened, parents will be notified.

30 JAN 2021 | Virtual Academy  
9:00 am- Noon

Many changes are occurring in students' lives right now and these can be expressed through film and photography creation.

In addition, the theme of Life Reimagined can be used to express the constant changing of society in the past, present, or future.

This virtual academy teaches students how to use film to express themselves.

48 Hour  
Competition

Announced

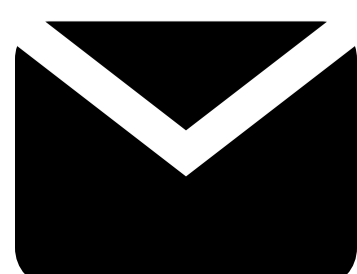

Jan 30th Noon
