Over 65 and Disabled Person Ceiling

• Limits the amount of taxes paid on a residence for a person who is age 65 or older, or disabled

DY M D

- » Frequently referenced as "frozen" value
- » Automatically applies to residences that qualify for an over
 65 or disabled homestead exemption
- » Tax ceiling is set at the amount of taxes paid the year that a residence qualified for the over 65 or disabled exemption
- » Value of property continues to grow, but the tax bill amount generally does not change
 - Tax bill can go below but not exceed the ceiling amount
