FBISD Professional Library Digital Resources
Access information for Faculty and Staff

Fort Bend ISD Digital Resources are subscription databases and services designed to meet the information needs of students and staff. Users can access the website and search for information that is available in a variety of formats   The following kinds of information can be found in the online resources: Almanacs and atlases; e-books, educational activities/games, educational videos, magazines, newspaper and journal articles, photos , charts, professional development, subject guides, and recommended websites.

To locate these resources navigate to the Library Digital Resources page:
http://www.fortbendisd.com → *Departments and Services* →*Library* Media *Services* →*Library Digital Resources*

To access the FBISD Library Digital Resources from Home:
Use the steps above to access the FBISD Digital Resources or enter the URLs below into your browser. When accessing from home, each resource requires a login and password, and some are unique to campuses.
