

What is a School – Family/Guardian Compact?

A School-Parent/Guardian compact is a written agreement between the school and the parents/guardians of children participating in a Title I campus, Part A programs that identifies the activities that the parents/guardians, the entire school staff, and the students will undertake to share the responsibility for improved student academic achievement. In addition, the school-parent/guardians compact outlines the activities that the parents, school staff, and students will undertake to build and develop a partnership to help children achieve the state's high academic standards.
