I will be happy for others' success and remember that mistakes are just opportunities to improve. I am kind. I am strong. I am knowledgeable. I am a Mission West Wildcat and this is the Wildcat Way!

MWE FAMILY-SCHOOL COMPACT

What is a Family-School Compact? A Family-School Compact is an action plan to enhance schools and promote student success. The Compact describes how Mission West Elementary and families can work together to help children achieve the state's high standards and the district's Profile of a Graduate. It outlines how parents, the school staff, and students will share responsibility for improved student achievement. Compacts are shared and discussed with families during Title I Night. Feedback, and requests for any additional support, are welcome at any time. Our Compact describes what the school will provide to students and parents, how communication will take place, and how teachers will help students develop necessary skills. In addition, it outlines what strategies families can use at home to support their child's learning. Effective schools are a result of families and school staff working together to ensure that children are successful in schools. A compact is a voluntary agreement between two groups that firmly unites them. You are invited to be involved in a partnership with Mission West Elementary!
