

2015 First Colony Middle School Summer Reading List

Incoming 8th graders

All incoming 8th grade students will need to select one of the following titles to complete as part of their summer reading assignment:

Ungifted by Gordon Korman

Unwind by Neal Shusterman

All incoming 8th grade students who will be enrolling in Pre-Ap will need to read one of the above **PLUS**:

The Adventures of Sherlock Holmes by Sir Arthur Conan Doyle

In all cases, our goal for these readings is to keep minds engaged and entertained. So, no annotations or completion of other assignments during the summer is necessary. Read and enjoy these books and be ready to discuss them upon your return in August.
