Performance Objective 1 Problem Statements:

Demographics
<p>Problem Statement 1: Our At-Risk Student populations continue to have achievement gaps in reading, math, science and social studies. Root Cause: Students within this demographic including Newcomers, EB, SPED, and At Risk students have academic deficits due to a lack of background knowledge and significant social/emotional needs that can impede academic success.</p>

Student Learning

Problem Statement 1: According to our demographics, we will have ten educators who are new to Holley and Fort Bend ISD, as well as veteran educators who are still enhancing their practices regarding the implementation of all components of the instructional model. **Root Cause:** Teachers need deeper content knowledge on implementing all of the components of the math and reading workshop models, specifically small group instruction, mini lessons, and utilizing authentic literature and hands-on activities to increase students' understanding.

Problem Statement 2: Teachers have had limited professional development regarding collecting, tracking and analyzing student data and using it to design impactful lessons.

Root Cause: Our teachers need more training on analyzing data and using it to design impactful lessons.

Goal 1: FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students

Performance Objective 2: By June 2025, MHE will improve tier 1 instruction as it relates to supporting emergent bilingual students through professional learning on targeted language development strategies so that second, third, fourth and fifth grade students will increase their percentage of growth on the TELPAS composite by at least one level.

HB3 Goal

Indicators of Success: By June 2025

- The percentage of current second graders who increase their TELPAS composite score by at least one level will increase from 16% to 36% .
- The percentage of current third graders who increase their TELPAS composite score by at least one level will increase from 38% to 58% .
- The percentage of current fourth graders who increase their TELPAS composite score by at least one level will increase from 56% to 76% .
- The percentage of current fifth graders who rate as Advanced Hight will increase from 34% to 54%.

Strategy 1 Details	Reviews			
<p>Strategy 1: MHE staff will receive professional learning during campus and district professional development days, PLC's, and through second language acquisition coaching to ensure teachers are equipped to utilize effective strategies which increase achievement for emergent bilingual students.</p> <p>Strategy's Expected Result/Impact: Teachers will effectively utilize EB strategies which include sheltered instruction, sentence stems, activating prior knowledge, visuals and content and language supports.</p> <p>Staff Responsible for Monitoring: Administration, LPAC Administrator, Bilingual Specialist, Literacy Coach, Bilingual Literacy Interventionist</p> <p>Title I: 2.4, 2.5, 2.6</p> <p>- TEA Priorities: Build a foundation of reading and math</p> <p>- ESF Levers: Lever 4: High-Quality Instructional Materials and Assessments</p> <p>Problem Statements: Demographics 1</p> <p>Funding Sources: - 211 Title I-A</p>	Formative			Summative

Goal 1: FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students

Performance Objective 3: By June 2025, 70% of all students receiving Special Education Resource and Inclusion services will demonstrate growth in the area of literacy consistent with the growth projection provided by the universal screener.

HB3 Goal

Indicators of Success: Formative Assessment

-From BOY to MOY 70% of K-5 grade students will make continuous growth in Reading as measured by NWEA Map.

Summative assessment

-By June 2025 70% of all students receiving Special Education Resource and Inclusion services will make at least one year's growth in reading as measured by NWEA Map.

Strategy 1 Details	Reviews			
<p>Strategy 1: All students receiving Special Education Resource and Inclusion services will have their reading fluency and comprehension levels assessed at the beginning, middle and end of the year in accordance with their IEP.</p> <p>Strategy's Expected Result/Impact: At least 70% of all students receiving Special Education Resource and Inclusion services will demonstrate growth in the area of literacy consistent with the growth projection provided by the universal screener.</p> <p>Staff Responsible for Monitoring: Administration, Campus Compliance Coordinator, SPED Case managers, Sped Teachers</p> <p>Problem Statements: Demographics 1</p>	Formative			Summative

Demographics
<p>Problem Statement 1: Our At-Risk Student populations continue to have achievement gaps in reading, math, science and social studies. Root Cause: Students within this demographic including Newcomers, EB, SPED, and At Risk students have academic deficits due to a lack of background knowledge and significant social/emotional needs that can impede academic success.</p>

Goal 2: FBISD will provide a positive culture and climate that provides a safe and supportive environment for learning and working

Performance Objective 1: By June 2025, MHE will improve students' overall social emotional well being by implementing student ownership of behavior practices and PBIS strategies so that all students are equipped with the tools and support they need to be confident leaders who consistently make positive behavior choices.

Indicators of Success: Formative:

- By September, MHE will create a campus-wide PBIS system to track and reward positive behaviors.
- By September, MHE teachers will engage in at least one professional development opportunity focused on PBIS and SEL.
- BOY to MOY teachers will collaborate with the PBIS Interventionist to implement at least 2 PBIS lessons.
- BOY to MOY teachers will implement at least 4 morning circles.
- The number of discipline referrals will decrease by 1% quarterly, October, December, March and May, according to Skyward discipline data

Summative:

- By May 2025, MHE will have successfully implemented a campus-wide PBIS system to track and reward positive behaviors.
- By May 2025, MHE teachers will engage in at least two professional development opportunities focused on PBIS and SEL.
- By May 2025, we will decrease the number of discipline referrals for the current school year in comparison to the 2023-2024 school year by 5%.
- BOY to EOY hold a Fall, Winter and Spring Leadership Assembly with students in grades K-5.
- BOY to EOY teachers will collaborate with the PBIS Interventionist to implement at least 4 PBIS lessons.
- BOY to EOY teachers will implement at least 8 morning circles.

Performance Objective 1 Problem Statements:

Demographics
<p>Problem Statement 1: Our At-Risk Student populations continue to have achievement gaps in reading, math, science and social studies. Root Cause: Students within this demographic including Newcomers, EB, SPED, and At Risk students have academic deficits due to a lack of background knowledge and significant social/emotional needs that can impede academic success.</p>
School Processes & Programs
<p>Problem Statement 1: Although we decreased discipline referrals during the 2023- 2024 school year, we had 165 referrals during the 2024 - 2025 school year which is still a large number that we would like to decrease by at least 5%. Root Cause: We have a high needs population, and we must provide ongoing opportunities for staff members to deepen their knowledge of appropriate SEL supports and PBIS strategies and empower our students to use the strategies so that we continue to cultivate an overall positive culture and climate for all students and staff.</p>
Perceptions
<p>Problem Statement 1: 9% of our parents feel dissatisfied with the amount of opportunities to be involved in their child's school. Root Cause: We need to work towards offering a variety of opportunities for parents to be involved at different times of the day to accommodate different work schedules and interests.</p>

Goal 3: FBISD will recruit, develop, and retain high quality teachers and staff

Goal 4: FBISD will engage students, parents, staff, and community through ongoing communication, opportunities for collaboration and innovation, and partnerships that support the learning community

Performance Objective 1: By June 2025, MHE will continue to increase positive climate and culture for parents and staff by providing consistent and timely parent communication and increasing the engagement of all stakeholders as indicated by the indicators of success.

Indicators of Success: BOY to MOY increase the parent's positive perception of the overall quality of the school.
BOY to MOY provide at least three opportunities for parents to be involved in activities on the campus.

Summative

BOY to EOY increase the parent's positive perception of the overall quality of the school from 83% to 88%.
MOY to BOY host at least three opportunities for parents to be involved in activities on the campus.

Strategy 1 Details	Reviews			
<p>Strategy 1: Parents and guardians will be given at least six opportunities to collaborate with campus staff, participate in campus events and share input regarding campus events and activities.</p> <p>Strategy's Expected Result/Impact: Parents will continue to increase their attendance at school events and participation in volunteer opportunities.</p> <p>Staff Responsible for Monitoring: Administration, Parent Center Coordinator, and Counselor</p> <p>Title I: 4.1, 4.2</p> <p>- TEA Priorities: Improve low-performing schools</p> <p>- ESF Levers: Lever 3: Positive School Culture</p> <p>Problem Statements: Perceptions 1</p> <p>Funding Sources: Incentives for parents to attend and engage - 199 General Fund</p>	Formative			Summative
