December's Core Value – Positivity and Gratitude

This month, we are reflecting on the power of kind words
and how we can express our thanks to people around us. It's a
great reminder that we are all human and need to hear the
positive impact we have made on others! [See page 4](#) for a peek
into a 1st grade classroom of my guidance lesson.

Spirit Stick and "Student of the Month" Winners

[See page 2](#) for our combined list of students who show
fairness and justice in November. 😊 They either earned a
spirit stick and/or the "Student of the Month" title. We're so
proud that they will speak up when something isn't right and
seek adult help.

December Reflections & Celebrations

[See page 4 & 5 for all the pictures.](#)

World Kindness Day – Wow! We are so grateful that we
had so many students participate in completing the Kindness
Bingo. The world is surely a better place with our kids in it!
Thank you, Mrs. Tsai for creating it!

Congrats to Spelling Bee winners: Riya D. for 1st place,
Alexis V. for 2nd place, and Remy T. for 3rd place!

Our kindergarteners found the Gingerbread Man and were
excited for the special treats he brought for each class. There
was also a special appearance!

Shout-out to our UIL student participants and winners! We
appreciate all the time and dedication of our UIL coaches –
Mrs. Yskollari, Mrs. Gunderson, Mrs. Cantu, Mrs. Chowdry, and
Ms. Carrier.

Spirit Sticks and “Student of the Month”

Congratulations to all our students who showed **FAIRNESS** and **JUSTICE** to everyone around them by following directions, being assertive for self and others, and being polite. The list combines students who earned a “Balanced” and/or the “Student of the Month” title.
