February Student Recognition

Congrats to the students who earned the February “Student of the Month” title of being **creative & unique** and/or earning the spirit stick PAWsome! See names and picture from January’s celebration on page 4.

Lunar New Year presentations:

I went into many classrooms to present about the Lunar New Year. Kindergarten –4th made horse puppets for the Year of the Horse and 5th grade did a chopstick competition. Mrs. Tsai came to co-present with me and provide some extra fun facts about Vietnamese traditions.

See pictures on page 2.

Black History Month Celebration

In honor of Black History Month, our “No Place for Hate” committee led a schoolwide project celebrating influential figures in Black history.

- Pre-K created a Black History Tree.
- Kindergarten made fact clouds about important leaders.
- 1st–2nd Grade wrote about their dreams inspired by Dr. Martin Luther King Jr.
- 3rd–5th Grade completed informational writing about significant Black historical figures.

We are proud of our students’ hard work and meaningful learning. **See page 2 for pictures of their projects!**
