### eBooks and the My EBSCOhost Folder

eBooks may appear in the folder in three areas.

#### eBooks: When a user adds an eBook to their folder, information about the eBook appears in the eBooks area of the folder, without the eBook being checked out. eBooks may be added to the folder by clicking on the folder icon in the Result List or Detailed Record.

#### Holds: When a hold is placed on an eBook that is in use by another patron, it is added to the Holds area. Holds must be enabled by your library to place a hold on an eBook.

#### Checkouts: When an eBook is checked out, it is added to the Checkouts area of the folder. If you have not yet downloaded the eBook, it can be accessed and downloaded from here.
