Campus GT Web Pages Under Construction

Each campus now has a dedicated Gifted and Talented web page in order to share both campus-specific information and district information about Gifted and Talented programming, events, initiatives, and announcements. You will find it under the "Students and Parents" tab on the campus home page. Currently the pages contain campus contact information, announcements, and events from the district GT calendar.

Additional sections will be added over the next few months, such as GT Programming, TPSP, campus events, and information on new initiatives if the campus is a pilot campus for the 2021-2022 school year. We hope you will find this additional page on the campus websites to be very helpful.

GT Student Panel and Keynote Speaker

The GT PAC Parent Symposium is an event **BY parents FOR parents**. This is not a student event; rather, an opportunity for parents to share experiences, ask questions, and receive insight on topics that relate to parenting gifted children.

FBISD GT FAMILY SERIES CHALLENGE

LIFE'S A ROLLER COASTER!

CHALLENGE: Families of gifted students (grades K-12) will design the ultimate roller coaster. In this challenge, families will use their engineering skills to work together to design and create a “loop-de-loop” roller coaster that will take a marble for a ride!

March is National Music in Our Schools Month!

From general music in elementary school to the exceptional band, orchestra, and choir programs in our secondary schools, our FBISD music teachers make a huge difference in our schools. Please take a few moments to read more about the value of the music education by clicking on the music notes!

Does your high school student love music outside of school, too?

Explore the House of Blues Music Forward Foundation! Musicians and non-musicians alike are offered the opportunity to learn about the wide variety of careers in the music industry and turn their passion for music into a profession, whether on-stage or behind the scenes. Scholarship and performance opportunities are also available through this non-profit organization.
