IT IS THE STUDENT'S RESPONSIBILITY TO REQUEST ANY MAKE UP WORK. When students are absent, they can make up graded assignments. They will have the number of days absent to make up any missing work. For example: I missed school Tuesday and Wednesday, and I return Thursday. I will have two days to make up my work once I return.

If you are overwhelmed or are having trouble, talk to me immediately. It is better to approach me for extra help than to wait until work is late or not to do it at all. I am here to help you any way I can.
