Dear future donor,

We at the Viking Theatre Company at Dulles High School in Fort Bend ISD are reaching out to friends and patrons in our community in the hopes of finding assistance for sixteen theatre students to embark on a journey to the Edinburgh Fringe Festival in Edinburgh, Scotland during the summer of 2019. These blooming theatre artists will experience two weeks of intensive theatre and the arts as they trek through London and Edinburgh. These young artists will be given the chance to enrich themselves through attending multiple workshops, viewing various productions, and, of course, experiencing the incredible sights and sounds of these great countries. Furthermore, the students will be able to practice their craft by producing a play and performing for an international audience four separate times.

In order for these artists to attend this once-in-a-lifetime opportunity, we need your help. If given the chance, these students will, without a doubt, create memories and learn skills that will follow them for the remainder of their careers and lives. Throughout the next year, the students of the Viking Theatre Company will be raising funds for this experience. You can help us on our journey by giving a monetary donation or donating a product that our team will use as an auction item.

Attached to this letter is our donor's brochure that explains what you will receive for your donation. All product donations will be honored based on the price and your return will coincide accordingly.

Here are some of the ways that you can make a donation:
