

MISSION WEST ELEMENTARY

★ ★ ★ OUR PROMISE TO FAMILY & COMMUNITY ENGAGEMENT ★ ★ ★

Without family engagement, our campus will not be as successful and we recognize that “it takes a village” to assist with equipping our students with what they need. Here we will describe how our families, the district, and community will work together to help our students achieve the district’s *Profile of a Graduate* attributes. Our promise/policy was developed with both family and community input and we encourage you to hold us accountable to our promise, champion us for what we are doing well, and share with us how we can grow!

We will involve you in decisions.
