

FCMS Gaming Club

Dear Parents/Guardians,

Your child has decided to join the FCMS Gaming Club. This club meets approximately every Tuesday before school from 8:20a.m.-8:50 a.m. in room 305A. As a member of this club, your student will have the opportunity to bring video games and systems to play and discuss. The games played at school will be school appropriate (rated E for Everyone to T for Teens as long as the content is approved, i.e., NO realistic guns, blood, curse words, glorifying crimes, etc.). Please keep in mind that we cannot control the actions, comments, or content of other players in the online world. However, we do plan to instruct students, on what to do, how to react, and how to navigate the online gaming world in a safer way. If you would like to find out which video games are being played or if you do NOT want your child involved, feel free to e-mail any of the club sponsors below. The club bylaws and rules are available on our website and students will be expected to maintain passing grades and uphold the Bobcat Way.
