

Congratulations to the following head coaches and players who are Touchdown Club finalists. The coaches were chosen to be among the top twelve based not only on their team’s outstanding record, but also in recognition of the continued contributions they make to their school and community and to the great game of high school football. They will be honored by the Touchdown Club of Houston at the High School Awards Banquet to be held on December 8, 2021 at the Bayou City Event Center at 7:00 pm.
