

Congratulations to the Fort Bend ISD Athletic Training Student Aide of the Month. The FBISD Athletic Department will highlight these distinguished athletic training student aides each month throughout the year. All eleven high schools nominate an athletic training student aide each month and are voted on by a panel for their exceptional work ethic and leadership in the Sports Medicine program and classroom.

Miya Ausby
Elkins High School

Miya Ausby is a junior and has been a part of the Elkins HS Sports Medicine program for 2 years. Miya is a very dedicated Student Athletic Training aide and a starter on the Varsity volleyball team this past year. She is a hard worker and displays a strength for communicating with athletes to relay information back to the staff athletic trainers effectively. Miya has a 3.59 GPA as well as earning all A's and 1 B. She plans to major in Physical Therapy when she attends college in the future.
