

Congratulations to the Fort Bend ISD Athletic Training Student Aide of the Month. The FBISD Athletic Department will highlight these distinguished athletic training student aides each month throughout the year. All eleven high schools nominate an athletic training student aide each month and are voted on by a panel for their exceptional work ethic and leadership in the Sports Medicine program and classroom.

Kaneisha Jackson
Hightower High School

Kaneisha Jackson is a senior and has been a part of the Hightower HS Sports Medicine program for 3 years. Kaneisha is a natural leader among her peers. She takes every opportunity to learn, takes initiative in every job duty, and is a pillar of knowledge and support for her teammates. She embodies characteristics of a great athletic trainer: continuous learner, empathetic, advocate for herself and others, hardworking, and selfless. Congratulations to Kaneisha Jackson!
