

The following instructions are available through the Fort Bend ISD website [STUDENT LOGIN page](#). Please go to the page to access the active links referenced in the following information.

Student Access to Schoology Job Aids

Students are able to access Schoology by logging in to their district-provided email address and password. They will also need to use the link above to access their district student account. Schoology is also available as a mobile app on iOS and Android devices. The following "how-to" documents have been provided to help you use your student Schoology account.

Overview of Steps to Access Schoology

Step 1: Login to fortbendisd.schoology.com or click on [Schoology – Students Login](#) page and click on the link at the top.

Step 2: Follow the "Accessing Schoology for the First Time" job aid [video](#) or [document](#) .

Please click on the video thumbnail or support links below.
