How To Fix Schoology to Clever Login Problems

Introduction

Audience: Students, Teachers, Staff

Purpose: Troubleshooting access to Clever via Schoology in the Chrome browser

Step 1

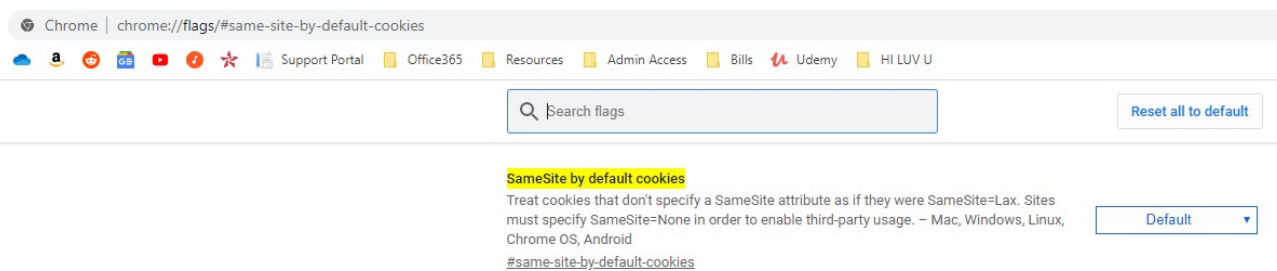

- Close all open sessions of Chrome

Step 2

- Open a new session of Chrome

Step 3

- Copy\paste into Chrome URL field: `chrome://flags/#same-site-by-default-cookies`

Step 4

- Via the dropdown for 'SameSite by default cookies', change to **Disabled**

SameSite by default cookies

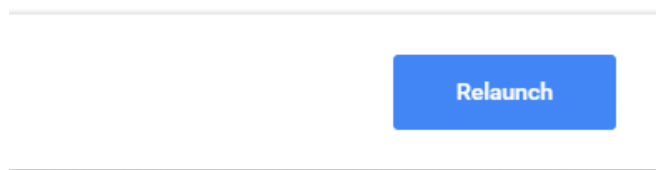

Treat cookies that don't specify a SameSite attribute as if they were SameSite=Lax. Sites must specify SameSite=None in order to enable third-party usage. - Mac, Windows, Linux, Chrome OS, Android
