

# HOSA

Health Occupations  
Students of America

2020-2021

# What is HOSA?

- Health Occupations Students of America
  - International student organization
  - Promotes careers in the **healthcare industry**
- Gain exposure to the exciting field of medicine
  - Accommodates for all interests in healthcare
- **Competitive events** included!
- Immersive volunteering opportunities and activities
- Guest speakers

# Competition

- A **nationwide** competition with over 50 unique events to choose from
  - Learn specific **healthcare knowledge/skills** that could help you in your future medical career
- Earn **club points** for competing and graduate with special chords!
- Work alongside like-minded individuals and receive specially-crafted mentorship from our **competition advisors**
- Competition looks amazing on **college resumes!**
- Find new friends and make long-lasting **memories!**

# Competition Highlights!

# Volunteering/Activities

- Participate in impactful **community service** alongside friends
- Raise awareness about a vast range of health-related topics, including **public health, disease prevention**, and much more, through immersive activities
- Earn **club points** and **YES hours!**
- Fun **mega-socials** related to healthcare
- **ANNUAL BLOOD DRIVE!**

**Note:** due to current conditions, we have curated a selection of entirely **virtual/remote** volunteering opportunities and activities!
