

Badminton Club

2020-2021

Mission Statement

The goal of our meetings and virtual activities is to promote health and well-being through the sport of badminton regardless of skill level.

Officers:

President: Sai Manikonda

Vice President: Lauren Adams

Secretary: Dheeraj Mulani

Historian: Ananya Joshi

Meetings

- In normal (“non-COVID”) times, we have meetings once a month at the Houston Badminton Center.
- These meetings offer opportunities to play with your friends for fun and engage in friendly competitions.

Blog

- Due to the COVID-19 pandemic, in-person meetings will not be safe for a while, so instead, we are planning to introduce a blog where we plan to post weekly content about health and wellness tips as well as how you can keep your badminton skills sharp off of the court!

Buddy System

- If we do have in-person meetings, this year we plan to have a buddy system where we match people together to participate in friendly games and competitions!
- Each member can sign up with another member or choose to be randomly paired with another member.
- Buddies will play on the same court and may be paired with other buddy groups to share courts.

Socials

- We typically meet with other schools from around the Houston area depending on availability, and once a year (normally after spring break), we hold a friendly inter-school competition at the Houston Badminton Center.
- Depending on availability, we also have socials in the Dulles High School gym and large end-of-year banquet before final exams.

Coaching and Training

- The Houston Badminton Center boasts a large community of world-class coaches and players, so if you would like play and improve your badminton skills outside of the meetings, you can reach out to our officer team and they will be glad to provide you with a list of coaches.

Shirt Designing Contest

- We are planning on having a contest to create a club shirt! You can submit your ideas to our Club email: dhsraquet@gmail.com
- Be sure to include Badminton Club and 2020-2021!
- Below are examples of winning designs from years past!

Stay in Touch
