

At E. A. Jones

• that parents are partners of teachers and other staff in the education of their children and that participation and empowerment of parents and family are essential at all levels throughout the school system.

• student academic performance requires that parents understand the curriculum, academic achievement standards, assessments, district / school policies and procedures and how to monitor their children's progress and work with educators to improve the performance of their children.

Communication with parents

E. A. Jones Elementary

Parent Engagement Policy 2021-2022

Mission: Empowering students with meaningful, social and academic experiences to support lifelong learners in a global world.

Vision: E.A. Jones fosters a safe, loving, equitable environment with consistent practices and a collaborative community that supports learning.

Parents/Guardians are asked and encouraged to be involved in your children's learning and education by:

- taking the initiative to seek the best educational opportunities for your children
- understanding and respecting the mission and vision of the school
- respecting teachers and supporting school staff as partners in the education of your children
- understanding school procedures and opportunities to contribute or receive support
- utilizing two-way lines of communication between parents, school staff, and the district on the instruction, achievement and conduct of your children that builds trust
- participating in training opportunities that will include but are not limited to strategies/reinforcing learning at home, discipline, and understanding cultural differences
- valuing diversity and the need for equity in each child's learning
- volunteering at your children's school
