Coach Harvey (marty.harvey@fortbendisd.com)

Welcome to 6th Grade Math. Together we will have a great year becoming better problem solvers, sharpening our basic skills, and learning many new concepts. Our goal is to make math understandable and interesting through technology and hands on activities. I want you to look at math with an open mind, and see it as more than just adding, subtracting, multiplying, dividing.

I am available to schedule a conference to discuss any issue or concern you have regarding your child.
- EMAIL is the best form of communication.
