Parent, Family and Community Engagement Policy**

Parent & Family Engagement (PFE) Program	
What is it?	At Mission Bend Glen Elementary, we strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this, is by participating in Title I, Part A State Program Funding. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education. We understand our roles as educators and families and are committed to doing whatever it takes to help our students succeed.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.
